

List of Publications

1. "Testing of mutagenic potentiality in mice treated with the antibiotic Ampicillin." **Roy. U.** & Manna G.K. in *Pers. in Cytol. & Genetics*, 6: (1989) 719-726.
2. "Genotoxic potential of the antibacterial drug, Norbactin tested in mice." Manna. G.K. & **Roy. U.** in *Cytologia*, 1990, 55:581-588.
3. "Testing of genotoxic potential of the antibiotic, Cefofaxime (Omnatax) in experimental mice." **Roy. U.** & Manna. G.K. in *Pers. in Cytol. & Genetics*, 7 (1992) 619-628.
4. "Mutagenic potential of ampicillin in treated mice and subsequent F1 and F2 generations." Manna. G.k. & **Roy. U.** in *The Nucleus*, 1993, 36(3) 117-126.
5. "Cytogenic assays for the genotoxic potency of the antitubercular antibiotic rifampicin in orally administered experimental mice." Manna. G.K. & **Roy. U.** in *Cell and Chromosome Research*, 1995, 18(1) 34-41.
6. "Methodologies in the investigations of mutagenesis in *Bull R.G. Kar Med. College*, **Roy.U.** 1996, 1(1) 14-20.
7. "Genotoxic evaluation of the synthetic antimicrobial drug, ciprofloxacin (Cifran 500) in experimentally fed albino mice." Manna. G.K. & **Roy. U.** in *Pers. in Cytol. & Genetics*, 9: (1998): 639-644.
8. "Effect of copper supplementation on haemological profile of Broiler Chicken." **Roy. U.** & Ghosh. P. in *Panchakot essays*, 2011, 2(2) 270-272.
9. "DNA-Barcoding of Domestic Indigenous fowls from eastern India." Ghosh. P.R., Mahadani. P., Mondal. R., **Roy. U.** & Ghosh. S.K. in *Proc. Nat. Conf. Biodiversity*, 2014, 367-371.
10. "Characterization of sewage fed water bodies with chemical analysis and studies on Biodiversity of some protozoan species occurring in sewage fed water bodies in and around Kolkata." **Roy. U.** & Pal. S. in *Proc. of International Seminar on Environmental Perspectives and Resource Management*, 2015 (in Press).
