Message from the Principal

It gives me great pleasure to offer you to take a first look behind the attractive façade of Ananda Mohan College. I appreciate your interest in our exceptional institution, which has had more than six decades of continuous expansion during which it has accomplished much, making it one of the colleges recognised for its excellence and hence highly sought after by new applicants.

The Ananda Mohan College heritage joyfully combines solid academic accomplishment with a broad, dynamic co-curricular programme that includes sports and leadership development programmes. Our purpose is to instil a love of information in our pupils, and we strive to build the skills and demeanour required for lifelong study.

we strive to redefine the term "education" since we believe it to be a healthy, all-encompassing activity. When we combine this fundamental tenet with the notion of being a part of one family—the AMC family—we perceive ourselves as "care-givers." We care for the person—the emphasis is on the full development of personality—just as much as we care for the mind since our academic institution is of the highest calibre. I'm hoping for the best for you as you try to join this family.

Dr. Debarshi Bhattacharya

Principal

Education is the key to unlocking potential and paving the way for a bright future. I am committed to providing you with the best learning opportunities and a nurturing environment. Believe in yourself and the world will believe in you too.

Students' Pledge

We, the students of Ananda Mohan College, Kolkata, do hereby pledge:

- That we shall show love and respect to our motherland;
- That we shall be, and help others be good citizens of India;
- That we shall obey the rules of our institution;
- That we shall devote ourselves to studies;
- That we shall be truthful and honest;
- That we shall strive to achieve the glorious ideals of the founders of our college;
- That we shall contribute to the cause of social justice and equality;

About The College

Ananda Mohan College is one of the leading undergraduate evening colleges in Kolkata. Established in 1961 as the evening unit of the City Group of Colleges situated at 102/1, Raja Rammohan Sarani, Kolkata – 700009, it is now a premier evening college in the city of Kolkata. It offers undergraduate courses in pure science, bio science, humanities, social science and commerce with Honours/Major courses in such major subjects as Bengali, English, Philosophy, History, Economics, Political Science, Mathematics, Physics, Chemistry, Zoology, Physiology, Botany, Computer Science and Commerce. The college is proud that it has catered, and continues to cater to the needs of those sections of the students who cannot enroll in day colleges for a variety of reasons but nevertheless are willing to pursue the course of higher education. Thus, Ananda Mohan College humbly serves the cause of higher education.

College Hours

This is an evening college and students should note that classes are going to be held till 9.00 in the night. Normally, classes are held from 3.00 pm to 9.00 pm on all working days, including Saturdays. However, these hours may change from time to time to suit the convenience of the college or to satisfy the requirements of the University of Calcutta. Students seeking admission are strongly advised to consider carefully whether the college hours suit them. However, it is to be noted that from 3.00 pm to 4.30 pm classes are held in the Annex Building and students are strictly advised not to enter the main

building during this time without permission. The college office remains open from 2.00 pm to 9.00 pm (Monday to Friday) and 2.00 pm to 6.00 pm (Saturday).

Ananda Mohan Bose

One of the most illustrious sons of India, Ananda Mohan Bose was born in Jaisiddhi, a remote village in the Mymansingh district of the undivided Bengal (now in Bangladesh) on 23rd September 1847. Educated in Hardinge School and then in Maymansingh Zilla School, Ananda Mohan stood ninth in the Matriculation Examination when he was only 15. He not only stood first at BA and MA examinations, but he was also awarded the prestigious Roychand Scholarship.

Ananda Mohan sailed to England and completed higher studies in the Christ Church College, Cambridge. He took Mathematics as his principal subject, and

Greek and Latin as subsidiary subjects. He also earned the distinction of being the first Indian Wrangler. Simultaneously, he studied Law and was duly called to the Bar.

On his return to India, Ananda Mohan started his career as a Lawyer in the Calcutta High Court and won distinction in his career. He also took active interest in the social and political life of Bengal with much zeal and enthusiasm. One of the founders of the Indian Association, Ananda Mohan was also elected the President of the Indian National Congress in its session in 1878.

Ananda Mohan was the first President of the Sadharan Bramho Samaj established in 1878. It may be recalled that – in the nineteenth century – the Brahmo Movement was a major

social phenomenon which aimed at social and educational uplift of the people of the country. Along with Pandit Sivnath Sastri, another Brahmo leader and a luminary of Bengal, Ananda Mohan founded the educational institutions of the Sadharan Bramho Samaj. It should be recalled that the first institution among them, the City School, and later the City College, was established through the money advanced by him. Ananda Mohan College has emerged out of City College.

Sister Nivedita called him ‘a forerunner of a new Knighthood of Civil Order’. He combined in his life what is best in a man— personal integrity and public commitment, true to the spirits of the great Bengal Renaissance.

College Library

The Library of Ananda Mohan College was established with the inception of the college. The library has a vast collection of books which include old, rare books and valuable reference books. It is enriched with an excellent collection in the fields of Pure Science, Biological Science, Social Science, Humanities, Literature etc. The Library remains open Mondays to Fridays from 2.00 P.M. to 9.00 P.M. and Saturday 2.00 P.M. to 8.00 P.M. In addition to Central Library, each Honours/ Major-teaching science department of the college has a separate 'Seminar Library' consisting of text and reference books.

Library Rules for Students

- The library welcomes students who want to use it. All the students should exercise self-discipline, respect and consideration for others while using the library. Students are also required to abide by the library rules.
 - Library cards are issued on production of fee book and 2-copies of stamp size photograph.
- Honours/ Major level text books are available from Seminar Library. One book at a time is issued for 15 days.
 - All categories of text books and reference books are also available from the Central Library both for Honours/ Major and 3 Year Multidisciplinary Degree Programme course students. Here also one book is issued at a time for 15 days.
 - The Book borrowed by the students should be returned on or before the stipulated date mentioned on date-slip. Otherwise, late fine will be charged @ Rs. 0.25 paise per day for non-submission of books within due dates.
 - Students must return the borrowed books before the summer recess and Puja vacation.
 - In case of loss or damage of books issued, borrower has to replace the same books of latest edition.
 - The library card is NOT TRANSFERABLE. In case of loss of library card, a duplicate library card will be issued against payment of Rs.10/-.
 - Use of mobile phones is prohibited within the library.
 - During summer recess, the central library remains open Mondays to Fridays 4 pm to 8 pm.

Research Activities

Faculty members of Ananda Mohan College are also involved in research activities apart from teaching. Quite a few teachers are engaged in active research and they regularly publish papers. It is also noteworthy that at

present, 2 Major research projects are going on at Ananda Mohan College.

Major Research Projects:	<ol style="list-style-type: none"> 1. Dr. Raghwendra Mishra, Department of Physiology 2. Dr. Swati Das, Department of Physics
--------------------------	---

It is also worthwhile to recall that in the last academic year, one faculty member of the college has completed Minor research projects.

and firing, map reading, adventure training and theoretical classes on different aspects of Indian Army to train Indian youth for future. Besides, we organize community development programmes like rallies against social evils, village adoption, tree plantation, blood donation camp, and anti-plastic awareness campaigns. Through NCC, cadets may participate in different NCC Training Camps like ATC, LRD, RD, NIC, TREKKING, CATC, RAFTING, MOUNTAINEERING, PARACHUTE CLIMBING etc. for their all-round development. Truly, NCC is a platform for academic, social and professional excellence. Students are encouraged to join NCC to achieve success in every step of life.

Facilities for Our Students

National Cadet Corps (NCC)

National Cadet Corps (NCC), is an inter-service organization under the Ministry of Defence, Government of India. We have a fully functional Senior Division NCC Company (No. 5/33) of Army wing under the supervision of CTO Sagar Mondal. We impart 3-years institutional training which includes physical exercise, weapon training

National Service Scheme (NSS)

Ananda Mohan College has a functional unit of National Service Scheme (NSS) under Calcutta University to impart 2-year institutional training to NSS volunteers. Aimed at developing students' personality through community service, NSS is a voluntary association of young people in colleges working towards a campus-community linkage. We conduct community services and social orientation programmes through NSS activities like promotion of voluntary blood donation and prevention of AIDS, survey of slum area, campus cleaning, tree plantation and environmental awareness and setting-up of health awareness camp with free health check-up facilities. We also conducted an awareness programme regarding sexually transmitted diseases (STDs) in an event organized by Durbar Mahila Samanwaya Committee at Shraddananda Park. Our members also adopted a slum area near Dumdum in 2016, and a village in Sundarban in 2017. The NSS unit of the college is available in the NSS office on every Friday 4-30 pm to 7-30 pm. We also worked with the children of sex-workers for their social status and uplift. There was also a seven days programme on March,22 when the NSS unit of this college had distributed food items among the children living in slums nearby to our college. So, we welcome students to join NSS and get the opportunity to serve the poorest of the poor.

Netaji Subhas Open University

Ananda Mohan College has emerged as a Study Centre for the following non-lab based PG Courses under the affiliation of Netaji Subhas Open University, Kolkata:

1. English
2. Bengali
3. History
4. Political Science

Alumni Association

Ananda Mohan College has a registered Alumni Association under the leadership of a section of teachers and former students of the college.

Campus Support System

Students' Common Room

The college has two common rooms – one for the girls in the first floor and the other for the boys in the ground floor. Recreational facilities are available in the common room.

Students' Counselling Cell

Members of the Students' Counselling Cell will be available on Fridays from 6 pm to 7 pm in the Bursar's room. Students seeking help/advice on academic matter as well as other matters may contact this cell for support services.

Grievance Redressal Cell

There is a Grievance Redressal Cell in the college, the guidelines of which are given below:

1. The Grievance Redressal Cell with one/ two senior teacher(s) of the college as its Convener(s) will entertain suggestions and complaints from students, teachers and members of the non-teaching staff for redressal of grievance.
2. All complaints should be addressed to the Principal/ Teacher-in-Charge of the college.
3. Complaints should be in the form of a letter, to be submitted in the receiving section of the college. Anonymous letters of complaints shall not be entertained.
4. Complaints which seek to malign the personal image of the teacher(s), employee(s) or student(s) of the college shall not be entertained.
5. Complaints not related to college matters shall not be entertained.
6. The Principal/ Teacher-in-Charge will forward the complaints to the Grievance Redressal Cell on a case-to-case basis. Convener(s) of the cell will be available on every Monday between 5.30 pm and 6.00 pm at the Principal's chamber for receiving the complaints, if any, from the Vice Principal.
7. The Convener(s) of the Cell will then discuss the issue(s) with other members of the Cell, and the details of their findings and/or recommendations need to be recorded at the register to be maintained by the Convener(s).

8. The Convener(s) of the Cell will then forward their findings and/or recommendations to the head of the institution for necessary action.

9. The Grievance Redressal Cell is only a recommending body which would suggest corrective measures if such needs arise. All final decisions will be taken by the college authorities.

The complainants may also choose to drop their complaints into the Grievance Drop box placed near the library.

Note: In the absence of the Vice-Principal, the Principal may instruct a senior teacher of the college to look after the functioning of the Grievance Redressal Cell.

Other Facilities

Photocopier: Nowadays, students heavily depend on photocopier for their studies. Keeping this in mind we have installed a photocopier in the Library for students and faculties. The students can avail this facility at subsidised rates.

Gymnasium: The college has a well-equipped modern multi-gymnasium for students and staff members in the annex building. It is reserved for the girls from 3 pm to 4-30 pm.

Napkin Vending Machine: Though this is an evening college, the number of girl students has been increasing gradually. The same trend is also found for female faculties and staff. Keeping in mind their need, we have installed a napkin vending machine in the Girls' Common Room.

Computer, Internet and SMS Facilities: Computer and internet facility is available for the students within the campus. The college provides internet connection to the laboratory based departments as they have their own exclusive space and students have the uninterrupted (even after sent-up examinations) access to these computers and internet. The students belonging to commerce and humanities faculties may use the computer and internet facility from IT laboratory. The college also sends information to the students from time to time on college matters, including examination notices etc. through text messages.

Placement through Campus: It is good news for our students that final year and passed out students of this college are getting job through campus interviews.

Safe drinking water facility: Every floor is equipped with water purifiers to provide safe drinking water to students and staff.

Subsidised Canteen: We have a subsidized canteen with varieties of nutritious & delicious items, and safe drinking water. In a specially constructed building, the canteen provides an opportunity for students to discuss various academic and other issues during their leisure hours.

Book Store: Students can purchase books and stationeries from the cheap store in the college at discounted rates.

Health Checkup: On the campus, college has a health centre. The health centre runs on every Friday from 7-00 pm to 8-00 pm in the first floor, where students and staff can go for

basic health checkups. The necessary advice is provided by Dr. Pradip Kumar Mukherjee. First-Aid Kit is readily available in the college office. Off the Campus, students get facility from the Students' Health Home.

Internal Complaints Committee: The college has the Internal Complaints Committee which works under the UGC guidelines. Students are advised to contact the Principal for further details.

Achievement in the Recent Past:

Our students participated in Youth Parliament Competition and awarded for their excellent performance.

Shagufta Akhtar, a student of our Zoology Department, has bagged Silver Medal (2nd position) in All India Inter University Taekwondo(w) Championship (2021-2022) organized by Khurakhetra University.
