Welcoming Ceremony of the New Governing Body President

A Welcoming Programme was held at the College campus on 29 September 2026 (Tuesday) to welcome **Dr. Kalyan Chakraborty**, Minister-in-Charge of the Departments of Information Technology & Electronics, Science & Technology, and Food Processing Industries & Horticulture, Government of West Bengal, as **the President of the Governing Body, Ananda Mohan College**. The teaching and non-teaching staff of the three colleges housed in the same building—Ananda Mohan College, City College, and Rammohan College—participated in the programme and extended their warm wishes and support to the new President as he began his tenure. The programme provided an occasion for the members of the three institutions to come together and convey their greetings, reflecting the spirit of togetherness within the shared campus community.

Har Ghar Tiranga Programme 2026

As part of the **Har Ghar Tiranga Period** from 9–17 August 2026, Ananda Mohan College organised and participated in a series of patriotic, social-awareness, and community-oriented activities in accordance with the scheduled programme. The activities brought together students, teachers, and staff to promote national pride, civic responsibility, and social awareness. On 10 August 2026, 73 students, teachers, and staff members of the College participated in the Har Ghar Tiranga Rally (Tiranga Yatra) organised jointly by the Government of West Bengal and the University of Calcutta, from Jawaharlal Nehru Road to Victoria Memorial, Kolkata. The participation was coordinated by the NSS and NCC teams of the College.

On 11 August 2026, the NSS and NCC organised a Har Ghar Tiranga Rally through Amherst Street and the neighbouring localities. Carrying the National Flag and awareness banners, students and faculty members spread messages on the significance and respectful use of the Tricolour. The programme also included a cleanliness drive in and around the College and a dengue-awareness campaign, through which volunteers interacted with local residents and shopkeepers and disseminated information on preventive measures against mosquito-borne diseases.

On 14 August 2026, the College organised a patriotic cultural programme featuring the preparation and exhibition of Rangoli based on the Tiranga theme, followed by a chorus rendition of "**Vande Mataram**". Students from different departments participated enthusiastically in creating Rangoli designs reflecting themes of unity, peace, sacrifice, and national pride. Students and faculty members subsequently joined in the collective singing of the National Song. The programme was coordinated by **Dr. Soumi Naha Nag**, Convener, Cultural Committee, with the support of the Principal, **Dr. Debarshi Bhattacharya**.

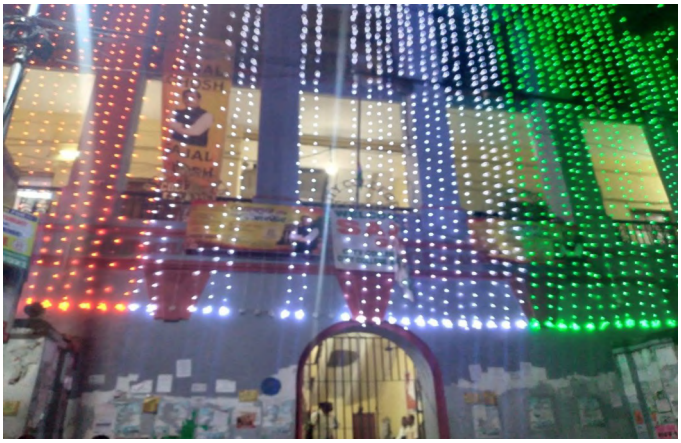

The activities reflected the College's efforts to combine patriotic engagement with community awareness, cleanliness, public health, and cultural participation during the **Har Ghar Tiranga period.**

Independence Day Celebration and Birth Anniversary of Sri Aurobindo Ghosh

Ananda Mohan College observed the **80th Independence Day of India on 15 August 2026** with great enthusiasm and patriotic fervour. The celebration was organised as part of the **'Har Ghar Tiranga'** initiative, observed from 9 to 17 August 2026. The college campus was beautifully decorated with the National Tricolour, balloons, buntings and festoons, creating a vibrant atmosphere of national pride and celebration.

The programme commenced with the ceremonial hoisting of the National Flag by the **Principal, Dr. Debarshi Bhattacharya**, in the presence of faculty members, non-teaching staff, NSS and NCC personnel, and students. The gathering reflected the collective spirit of the college community and its deep respect for the nation and its democratic values. The occasion also marked the **birth anniversary of Sri Aurobindo Ghosh**, the eminent philosopher, freedom fighter, poet and spiritual thinker. The celebration successfully fostered a sense of patriotism and unity among the students and staff. It also strengthened the bond between teachers and students through their collective participation in a common national occasion.

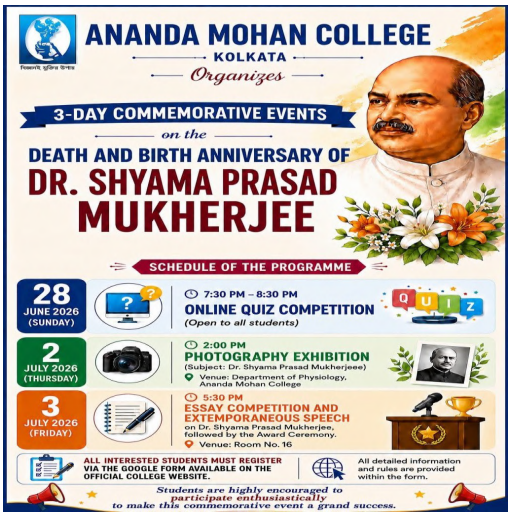

College Events

Commemorating Dr. Syama Prasad Mookerjee: A Three-Day Observance

The **Seminar Committee** and **IQAC** of Ananda Mohan College organised a three-day commemorative programme on 28 June, 2 July and 3 July 2026 to observe the **Birth and Death Anniversaries of Dr. Syama Prasad Mookerjee.** The programme featured an **online quiz competition** on 28 June, 2026 (Sunday), a **photography exhibition** on 02 July, 2026 (Thursday), an **essay competition** and an **extempore speech competition** on 03 July, 2026 (Friday), engaging students in exploring his life and contributions.

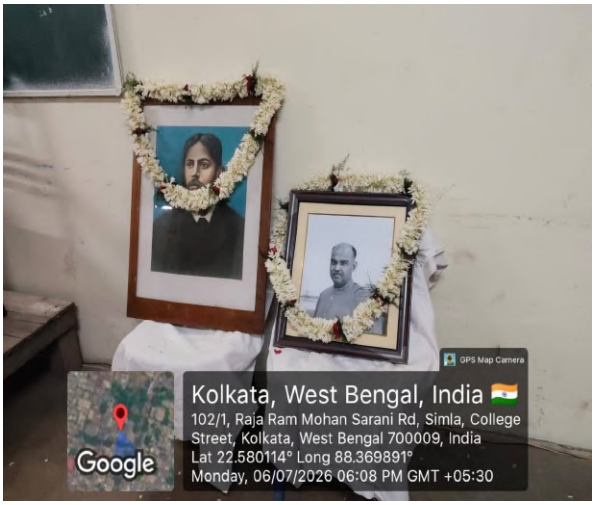

The online quiz saw enthusiastic participation from 15 students representing different semesters of B.A., B.Sc. and B.Com. The photography exhibition displayed rare photographs highlighting significant moments from Dr. Mookerjee's life, while the essay and extempore speech competitions provided students with opportunities to reflect on his ideals and achievements. The observance concluded with active participation from students, teachers and staff, fostering awareness of **Dr. Mookerjee's** life and legacy and encouraging meaningful academic engagement.

Observance of the 125th Birth Anniversary of Dr. Syama Prasad Mookerjee

The **Seminar Committee** and **IQAC** of Ananda Mohan College observed the **125th Birth Anniversary of Dr. Syama Prasad Mookerjee** on 6 July 2026 in Rooms 16 and 17. The programme commenced at 5:30 p.m. in the presence of teachers, non-teaching staff, and students and was anchored by **Dr. Swati Das**. The programme began with the garlanding of **Dr. Mookerjee's** portrait by Principal **Dr. Debarshi Bhattacharya,** followed by an inaugural address highlighting his contributions as an educationist, patriot, and statesman. **Dr. Priyatosh Dutta**, former Teacher-in-Charge, also paid tribute to Dr. Mookerjee and reflected on his ideals and values.

The keynote lecture was delivered by **Dr. Mili Das**, who discussed Dr. Mookerjee's life and contributions with particular reference to insights from his personal diary. A musical tribute by **Dr. Soumi Naha Nag** added a cultural dimension to the programme. The event also featured the prize distribution of a quiz competition, in which all participants received certificates, along with speeches by three students reflecting on Dr. Mookerjee's ideals and legacy.

The programme concluded with the inauguration of a photo exhibition in Room 17 by the Principal, showcasing photographs depicting Dr. Mookerjee's life and journey. The observance provided the college community with an opportunity to reflect upon his enduring contributions to education and the nation.

Observance of the Birth Anniversary of the founder, Ananda Mohan Bose

Ananda Mohan College observed the **birth anniversary of Ananda Mohan Bose**, the founder and social reformer on 23 September 2026 by paying homage to the distinguished educationist and social reformer through the garlanding of his statue on the College premises. Members of the teaching and non-teaching staff participated in the commemorative programme.

Principal **Dr. Debarshi Bhattacharya** briefly addressed the gathering and spoke about the life and contributions of Ananda Mohan Bose, particularly his role in promoting higher education. The programme commemorated his enduring contribution to the advancement of education and society.

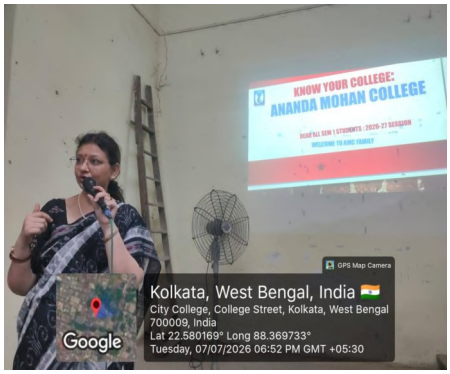

Orientation Programme for Newly Admitted Semester-I Students

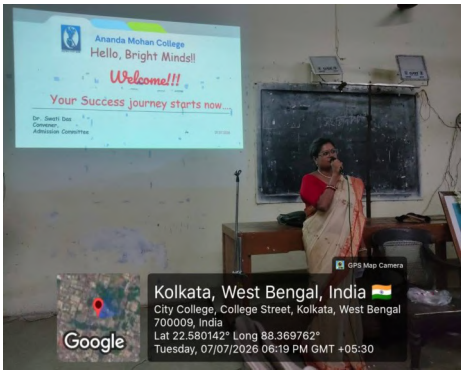

An Orientation Programme for the newly admitted **Semester-I** students of Ananda Mohan College was held on 7 July 2026 to familiarise students with the academic structure, facilities, and various support services of the College. Students of **B.A./B.Sc. and B.Com**. Major and Minor courses participated in separate sessions held in Rooms 5 and 6, respectively. The programme was coordinated in Room No. 5 by **Dr. Sounak Dutta**, Assistant Professor, Department of Chemistry and in Room No. 6 by **Mrs. Debolina Chakraborty**, SACT, Department of Commerce.

The programme included addresses by the Principal, IQAC Coordinator, Admission Committee Convenor, senior faculty members and representatives of various institutional committees. Students were introduced to library facilities and the College website, academic routines and course structure, Training and Placement, NSS, NCC, and other academic information. The programme also included a student pledge and guidance for students regarding their respective departments and laboratories.

The orientation provided the new students with a useful introduction to the academic environment, facilities, and opportunities available at Ananda Mohan College, helping them begin their undergraduate journey with greater awareness and confidence.

Valedictory Session and Certificate Distribution of B.Sc. Summer Internship Programme

The valedictory session and certificate distribution ceremony of the **B.Sc. Summer Internship Programme**, *"Computer and Web Application in Science: Data Analytics, Bioinformatics and Spectroscopy for Biological Sciences"* was held on 10 July 2026 (Friday) at Ananda Mohan College.

The programme featured two invited lectures: **Dr. Saptarshi Chatterjee**, Associate Director, Incubation Centre, Adamas University, Barasat spoke on *"From Ideas to Impact: The Journey of an Entrepreneur,"* while **Dr. Priyatosh Dutta**, Associate Professor, Department of Chemistry, Ananda Mohan College, delivered a lecture on *"Learning can be Fun"*. The session concluded with the distribution of certificates and mementoes. Certificates were awarded to 44 B.Sc. Semester-IV students of Ananda Mohan College and 55 Physiology Major students from Vidyasagar College, Vidyasagar Metropolitan College, Surendranath College, and Bangabasi Evening College. Six resource persons were also felicitated for their valuable contributions to the programme. The valedictory programme marked the successful completion of the internship and celebrated the students' enthusiastic participation and learning throughout the programme.

.....

Valedictory Session and Certificate Distribution of B.A. Summer Internship Programme

The **Arts Faculty of Ananda Mohan College** organised the Valedictory Session of the B.A. Summer Internship Training Programme on **"Digital Marketing"** on 17 July 2026. The hour-long programme marked the formal conclusion of the training and provided an opportunity for participants, faculty members, and students to reflect on the key learning outcomes of the programme.

The session featured two invited lectures. **Dr. Priyatosh Dutta,** Associate Professor, Department of Chemistry, Ananda Mohan College, spoke on **"Living AI,"** highlighting the emerging role of autonomous and adaptive artificial intelligence systems in data interaction, automation, and user engagement. **Prof. Sukalyan Ghosh**, Department of Commerce, Ananda Mohan College, discussed consumer behaviour in the digital era, focusing on converting digital engagement into meaningful customer relationships and improving the effectiveness of online campaigns. The programme concluded with an emphasis on the growing relevance of digital technologies and contemporary marketing practices in the evolving professional landscape.

.....

Debajyoti Burman Memorial Lecture 2026

The **Seminar Committee** and **IQAC** of Ananda Mohan College organised the *annual Debajyoti Burman Memorial Lecture* on 13 July 2026 (Monday). The lecture was delivered by **Dr. Sandipan Sen**, Associate Professor (Retired), Department of English, Ananda Mohan College, on "উনিশ শতকের দুই মুখ" **(**Two Faces of the Nineteenth Century).

Through an engaging narrative and pictorial presentation, **Dr. Sandipan Sen** explored the intellectual and social transformation of nineteenth-century Bengal, with particular emphasis on the Bengal Renaissance, Henry Louis Vivian Derozio and the Young Bengal movement, and the contributions of Raja Rammohan Roy and Ishwar Chandra Vidyasagar to education, rational thinking, and social reform. The lecture offered an insightful and thought-provoking academic experience for the audience.

Nasha Mukta Yuva for Viksit Bharat: Students Participate in Anti-Addiction Campaign

Ten students of **Ananda Mohan College**, accompanied by **Dr Sagar Mondal**, Assistant Professor, Department of Mathematics, participated in the *"Nasha Mukta Yuva for Viksit Bharat Sankalp Abhiyaan"* held on 2 August 2026 at the Centenary Hall, College Street Campus, University of Calcutta.

The programme commenced at 11:00 AM and was graced by His Excellency Shri **R. N. Ravi, Governor of West Bengal** and Chancellor of the University, along with **Prof. Ashutosh Ghosh, Vice-Chancellor, University of Calcutta,** and **Shri Jagannath Chattopadhyay, State Higher Education Minister**, as special guests. As part of the nationwide 100-week Jan Bhagidari (public participation) movement, thousands of young participants took an anti-addiction pledge, expressing their commitment to combating substance abuse and promoting a healthier and drug-free society. The AMC delegation also participated in the MY Bharat live national campaign launch. The programme highlighted the important role of young people and educational institutions in creating awareness about substance abuse and contributing to the vision of a healthier and drug-free India.

.....

Nasha Mukt Bharat: Awareness Programme on a Drug-Free India

An Awareness and Sensitization Programme on "***Nesha Mukt Bharat***" *(Drug-Free India for Viksit Bharat)* was organised at Ananda Mohan College in collaboration with the **Brahma Kumaris Medical Wing** on 18 August 2026 at 6:00 p.m. Around 150 participants, including the Principal, teachers, staff members, and students, attended the programme.

The resource persons from the Brahma Kumaris Medical Wing highlighted the physical, mental, social, and spiritual consequences of drug and substance abuse, emphasising self-control, positive thinking, and moral values. The Principal encouraged students to spread awareness about substance abuse in their families and communities.

A significant part of the programme was the Addiction-Free Pledge, through which students pledged to stay away from drugs and addictive substances and encourage others to adopt a healthy and addiction-free lifestyle. The programme concluded with a vote of thanks, reinforcing the collective commitment towards a healthy, responsible, and drug-free society.

Sanskrit Divas 2026: Book Exhibition and Shobhayatra

Ananda Mohan College observed **Sanskrit Divas** on 31 August 2026 with the participation of teaching and non-teaching staff and students. The observance comprised two major activities: a *Sanskrit Books Exhibition* at the College Library and a *Sanskrit Procession (Shobhayatra)*. The library exhibition showcased a rich collection of Sanskrit texts, including several Puranas, editions of the Ramayana, and other classical works, accompanied by *Sanskrit subhashitas* with English meanings. The exhibition provided members of the College community an opportunity to engage with the Sanskrit literature preserved in the Library.

Later, students, teachers, and non-teaching staff participated in the *Sanskrit Procession*, carrying placards featuring Sanskrit shlokas and their English translations. The procession moved through the College corridors, bringing Sanskrit literature and philosophical thought into the wider campus community. The celebration provided a meaningful platform for appreciating Sanskrit as an important repository of knowledge, literature, and cultural heritage, while encouraging wider engagement with the College's valuable library collections.

Spectrum of Activities : Showcasing Departmental Endeavours

Beyond the Classroom: Botanical Excursion to Swabhumi and Subhas Sarobar Park

The **Department of Botany**, Ananda Mohan College organized an educational excursion to the areas surrounding *Swabhumi* and *Subhas Sarobar Park* on 23 July 2026 for students of the 2nd and 4th semesters, under the guidance of **Dr. Debasree Chakraborty** and **Dr. Shruti Chattoraj Banerjee**.

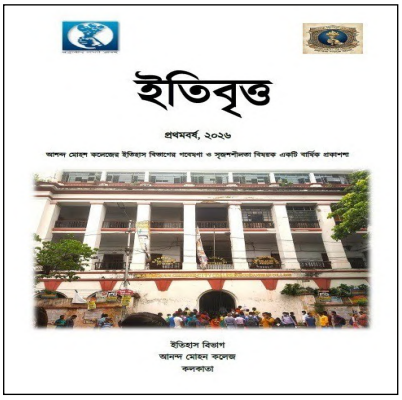

The excursion provided students with an opportunity to observe the floristic diversity and patterns of plant growth in grasslands, parks, and roadside environments. The students explored how human-induced disturbances influence ecosystems, affect natural plant growth, and enable wild plants to survive and adapt to altered environments. They also collected selected wild plant specimens for further study in the Botany Department laboratory, thereby linking field observations with practical learning.

Department of History Launches Annual Magazine "ITIBRITTA"

On 9 July 2026 (Thursday), on the occasion of the retirement programme of **Ms. Selina Jahan**, Associate Professor, Department of History, the Department inaugurated the first annual issue of its departmental magazine, **'ইতিবৃত্ত'** (ITIBRITTA). **Dr. Milan Roy**, Assistant Professor, Department of History, formally inaugurated the magazine and served as its Editor. The programme was attended by **Dr. Subrata Kr Mal**, former faculty member of the Department of History and presently Assistant Professor, Amdanga Jugal Kishore Mahavidyalaya, North 24 Parganas. The occasion was made memorable as alumni and present students shared their memories and experiences associated with Ms. Jahan, paying tribute to her long-standing association with the Department and the College.

A Joyous Celebration of Teachers' Day and Fresher's Welcome at the Department of Physiology

The Department of Physiology, Ananda Mohan College, celebrated **Teachers' Day** and the **Fresher's Welcome** on 9 September 2026 with great enthusiasm and warmth. The program brought together faculty members, non-teaching staff and students, creating a lively atmosphere of bonding beyond the boundaries of regular academic activities. A special highlight of the occasion was the publication of a departmental wall magazine showcasing the creativity, ideas and literary talents of the students.

The program commenced with the formal inauguration of the wall magazine by **Dr. Debarshi Bhattacharya, Principal of Ananda Mohan College**. The welcome address was delivered by **Dr. Jayeeta Banerjee, Head of the Department of Physiology**. In her address, she highlighted the importance of such gatherings in

fostering interpersonal relationships, creativity, confidence and a sense of belonging among students and teachers. The formal proceedings were followed by an engaging cultural program presented by the students. Singing, poetry recitation and other performances added joy and vibrancy to the occasion. A refreshment session, arranged by the faculty members of the department, further enriched the spirit of togetherness.

.....

ZOOTOPIA 2.0 and ZOOSPECTRA: Department of Zoology Welcomes Freshers and Showcases Creativity

The **Department of Zoology** organised a combined programme featuring the Freshers' Programme, inauguration of the wall magazine **"ZOOTOPIA 2.0,"** and publication of the e-magazine **"ZOOSPECTRA"** on 21 September 2026. As part of the programme, Semester I students were welcomed by students of Semesters V and VII, fostering interaction among students across different semesters. The Principal, **Dr. Debarshi Bhattacharya** inaugurated the wall magazine and delivered an encouraging address, motivating students to express their creativity. **Dr. Sanjay Dey**, Head, Department of Zoology, spoke about the importance of extracurricular engagement in the study of biological sciences. The inaugural programme also featured a quiz competition, song competition, and animal fun-facts competition organised by the students. The first edition of the departmental e-magazine **"ZOOSPECTRA"** featured contributions from faculty members and students on a range of biological topics, including cell biology, biochemistry, immunology, and classical zoology.

"From Eastern Regional Round to National Stage: AMC Students Advance in NFLQ 2026

The National Institute of Securities Markets (NISM), in collaboration with the Securities and Exchange Board of India (SEBI), organised the Eastern Regional Round of **the National Financial Literacy Quiz (NFLQ) 2026** at St. Xavier's College (Autonomous), Kolkata, on 22–23 August 2026. The two-day regional round brought together undergraduate and postgraduate students from across the Eastern Region to compete on topics including financial markets, investment principles, investor protection, and responsible financial practices.

Representing Ananda Mohan College, **Adarsh Jaiswal** (B.Com., 4-Year, Semester-VI) and **Mahak Jaiswal** (B.Com., 4-Year, Semester-II) successfully qualified for the National Round. Among the participating colleges in the Eastern Regional Round, Ananda Mohan College was one of the institutions to advance to the next stage of the competition. **Mr. Sukalyan Ghosh**, Resource Person, Department of Commerce, served as the mentor for the quiz team. The students will represent the College at the NFLQ Grand Finale 2026 at the NISM, Navi Mumbai, Maharashtra.

Outreach & Extension Activities

Students' Orientation Program by Training and Placement Cell

The Students' **Training and Placement Cell** of Ananda Mohan College organised an **Orientation Programme** on Placement Support on 22 August 2026, with support from **Capgemini** and **Edubridge Learning Pvt. Ltd.** The programme was attended by 73 students, including 18 female students, with a majority of the participants being B.Com. Semester-I students. Twenty-four teachers and seven non-teaching staff members also attended the programme.

The resource persons briefed the students on the training process and procedures for absorption, providing them with an overview of the available placement support. Students interested in the programme registered through a Google Form circulated during the session. **Dr. Debarshi Bhattacharya**, Principal, Ananda Mohan College, delivered the welcome address, while **Dr. Mili Das**, member of the Training and

Placement Cell, served as the compere. The programme provided students with useful information on training and placement opportunities, helping them understand the pathways available for skill development and future employment.

.....

Ananda Mohan College Renews MoU with Edunet Foundation for Skill Development

Ananda Mohan College renewed its **Memorandum of Understanding (MoU)** with **Edunet Foundation** on 21st August, 2026 (Friday) to strengthen opportunities for skill development, career readiness, and capacity building among learners. The collaboration includes access to programmes managed by **Edunet, including IBM SkillsBuild,** with the objective of complementing the academic learning of students with relevant professional skills.

Under the MoU, Edunet will facilitate orientation sessions, online learning materials, instructor-led webinars, mentoring workshops, technology and innovation camps, and career-readiness programmes. The collaboration also provides opportunities for interaction with industry experts through seminars, webinars and project mentorship. The College will support the implementation by identifying participating learners and instructors, facilitating orientation programmes, encouraging student participation, and supporting assessment processes. Importantly, the MoU specifies that no additional fees will be charged to learners for participation in Edunet programmes. The renewed collaboration is expected to provide AMC students with wider access to industry-oriented training, digital skills, career-readiness initiatives and emerging technology-based learning opportunities.

Swami Vivekananda International Film Festival 2026 at Ananda Mohan College

Ananda Mohan College hosted a screening under the ***Swami Vivekananda International Film Festival (SVIFF)*** 2026 on 10th September, organized by the **Vivekananda Brotherhood & Youth Foundation** in association with the **Swami Vivekananda Vedanta Society** and coordinated at the institutional level with the college's NSS unit and IQAC. Running from 4th to 12th September 2026 across multiple venues in Kolkata, the festival made a stop at Ananda Mohan Hall as part of its citywide circuit.

The programme opened with introductory remarks by **Dr. Mahua Bardhan**, PO of NSS and **Dr. Attreyee Mukherjee,** Coordinator, IQAC and other festival representatives. This was followed by the screening, with students, teaching staff, and organizers in attendance. The event featured screenings of films including **'The Inner Light','Duriya', 'Where Is Vivek?'** etc. exploring themes inspired by Swami Vivekananda's life and philosophy. The most appreciated film that was screened on that day was 'The Ghost of India'. The session concluded with a felicitation ceremony honouring faculty members and dignitaries, followed by a group photograph with the festival banner. The initiative reflected the college's continued engagement in cultural and value-based programming through its NSS and IQAC collaboration.

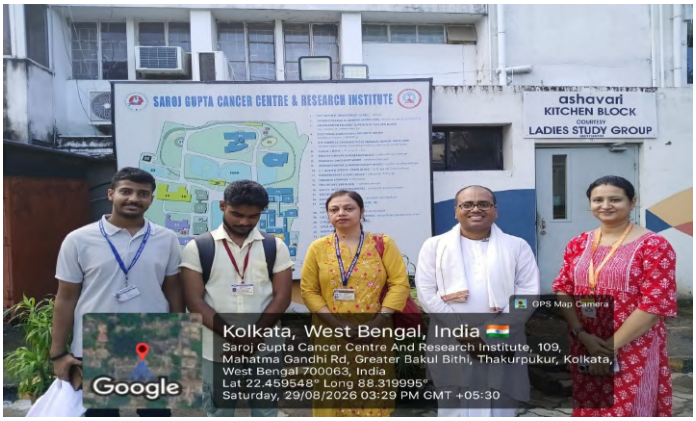

.....

Rakshabandhan Celebration by NSS Unit

The **NSS Unit** of Ananda Mohan College, in collaboration with **Bansdroni Gokul Foundation**, organised a special programme on Rakshabandhan celebration on 29th August 2026 (Saturday) at St. Jude's Child Care Centre, Thakurpukur Cancer Hospital, Kolkata. The programme *'Tyohar Sath Sath'* began with a visit to the **Saroj Gupta Cancer Centre and Research Institute**, followed by heartfelt interaction with young cancer patients undergoing treatment at the centre.

The Programme Officer and NSS volunteers tied rakhis on the children, distributed gifts (stationaries, chocolates) and greeting cards, and spent time comforting them and their families with warmth and affection. Colourful Rakhis were handmade and arranged by the volunteers beforehand, reflecting genuine care and effort. The children, accompanied by their parents, joyfully participated in the festivities, momentarily setting aside the hardships of their treatment. There were funny games arranged by the volunteers of NSS and the

president of Gokul Foundation.The initiative aimed to spread happiness, hope, and a sense of togetherness among the young patients, reinforcing the spirit of Rakshabandhan beyond biological siblinghood. The event stood as a testament to the college's continued commitment to compassionate community service and social outreach.

Continuing Professional Development

Dr. Dibyajyoti Ghosh, Assistant Professor, Department of English successfully completed the four-week online SWAYAM course titled "*Understanding Shakespearean Drama: Tragedy and Comedy*" developed by Banaras Hindu University (BHU), Varanasi, during the session commencing in January 2026 with a consolidated score of 97.6%.

Dr. Rina Singh, Assistant Professor, Department of Hindi successfully completed the 5-credit online SWAYAM course titled, "*Bhasha Proudyogiki ka Parichay*" developed by Pondicherry University in June, 2026 with a consolidated score of 68%.

Mr. Rajiv Kumar Nasker, Assistant Professor, Department of English successfully completed the four-week online SWAYAM course titled "*Understanding Shakespearean Drama: Tragedy and Comedy*" developed by Banaras Hindu University (BHU), Varanasi, during the session commencing in January 2026 with a consolidated score of 96.2%.

Dr. Mili Das, Assistant Professor, Department of Physics participated in a two-day workshop with hands-on training on *"Physics Experiments (New Syllabus) for the 7th and 8th Semesters under CCF 2022"*. The workshop was held on 10–11 August 2026 and organised by the Department of Physics, Lady Brabourne College, Kolkata in collaboration with the Undergraduate Board of Studies in Physics, University of Calcutta.

Dr. Pallab Ray, Assistant Professor in the Department of Zoology, successfully participated in the online short-term programme on '*MOOCs*' conducted by the Malaviya Mission Teacher Training Centre (MMTTC), Jadavpur University from 21 - 29 August 2026.

Dr. Attreyee Mukherjee, Assistant Professor in the Department of Chemistry, successfully participated in the online short-term programme on 'MOOCs' conducted by the Malaviya Mission Teacher Training Centre (MMTTC), Jadavpur University from 21 - 29 August 2026.

Dr. Attreyee Mukherjee, Assistant Professor, Department of Chemistry, successfully completed the eight-weeks online course on '*INTRODUCTORY ORGANIC CHEMISTRY II*' conducted by the NPTEL-AICTE from July - September, 2026.

Dr. Suranjana Chatterjee, Assistant Professor in the Department of Chemistry, successfully participated in the online short-term programme on 'MOOCs' conducted by the Malaviya Mission Teacher Training Centre (MMTTC), Jadavpur University from 21 - 29 August 2026.

Dr. Attreyee Mukherjee and **Dr. Suranjana Chatterjee,** Assistant Professor, Department of Chemistry attended a two-day Faculty Development Program (FDP) on *Artificial Intelligence*, a Corporate Social Responsibility initiative, conducted by Infosys BPM Ltd. at University of Calcutta on 29 - 30 July, 2026.

Research and Publications

Dr. Probir Kumar Sarkar, Assistant Professor, Department of Physics completed his Post-doctoral research work at the **CSIR–Central Institute of Mining and Fuel Research (CSIR-CIMFR),** Dhanbad, from 15 July 2025 to 14 May 2026. During this period, he carried out research on *"Catalyst Development of $NaBH_4$ Hydrolysis for Hydrogen Production"* under the guidance of **Dr. Apurba Sinhamahapatra,** Senior Scientist, CSIR-CIMFR. The research focused on the development of catalysts for $NaBH_4$ hydrolysis towards hydrogen production.

Dr. Probir Kumar Sarkar, Assistant Professor, Department of Physics published a research article as an output of his post-doctoral research work, titled, *"Rate enhancement of NaBH4 hydrolysis using light over graphitic carbon nitride-based catalyst"* in the International Journal of Hydrogen Energy [Online ISSN: 1879-3487], 2026, Vol. 236, Article 155193, https://doi.org/10.1016/j.ijhydene.2026.155193 (JCR 2025, IF - 9.2).

Dr. Dhiman Mondal, Librarian published an article titled *"Doctoral Research Trends in Metric Studies of LIS: insights and future prospects in India"* in the COLLNET Journal of Scientometrics and Information Management (ISSN: 2168 – 930X Online), 2026, Vol. 20, No. 1, pp. 203-217. https://doi.org/10.47974/CJSIM-2025-11003

Dr. Dhiman Mondal, Librarian published a book chapter titled *"Doctoral Research Trend on Traditional Knowledge in India with special focus on the LIS approach"* (pp. 85-98) published by Today & Tomorrow's Printers and Publishers; New Delhi. The chapter appears in the edited volume *"Indian Knowledge System: A Multidimensional Approach Towards NEP-2020"* (ISBN: 9789348596178), edited by A.K. Chakraborty, S. Banerjee & A.P. Singh.

Dr. Milan Roy, Assistant Professor, Department of History, contributed a book chapter titled, *"Sanskritik Oitihyo: Shikor Theke Bicchinnota, Bagdi Jatir Sonskritir Somonnoy-Sadhan, Songjojon O Biyojon-er Gotidhara"* [সাংস্কৃতিক ঐতিহ্য: শিকড় থেকে বিচ্ছিন্নতা, বাগদি জাতির সাংস্কৃতির সমন্বয়-সাধন, সংযোজন ও বিয়োজনের গতিধারা] (pp. 38-46) published by Abhijeet Publications, New Delhi. The chapter appears in the edited volume *"Bibortoner Dharay Samajik-Sanskritik Itihas: Prosonge Uttorbongo O Sannihit Anchal"* [বিবর্তনের ধারায় সামাজিক-সাংস্কৃতিক ইতিহাস: প্রসঙ্গ উত্তরবঙ্গ ও সন্নিহিত অঞ্চল] (ISBN: 9789348760906), edited by Dr. Nilangsu Shekhar Das, with Dr. Ananda Gopal Ghosh and Dr. Badal Ray, serving as executive editors.

Mrs. Shampa Bag, Assistant Professor, Department of Zoology contributed a research article titled, *"Zooplankton assemblages, water quality dynamics and molecular characterization of key crustacean taxa in human-impacted selected freshwater lakes of the Gangetic Plain, West Bengal, India"* in Journal of Applied and Natural Science (ISSN: 2231-5209 Online), 2026, Vol. 18, No. 3, pp.1460-1476. https://doi.org/10.31018/ jans.v18i3.7660

From the Archives : Patents Granted and Design Registered by the Patent Office, Government of India

Ananda Mohan College recorded notable research and innovation output through **two granted patents and one registered design** associated with members of its academic community.

Dr. Probir Kumar Sarkar achieved both the patents while he was a research scholar at the S. N. Bose National Centre for Basic Sciences, Salt Lake, Kolkata, an autonomous research institute under the Department of Science and Technology, Government of India. One of the granted patents, **Patent No. 472797**, titled **"Method for Detecting Mercury in an Aqueous Sample,"** was granted by the Patent Office, Government of India, on 24 November 2023. The patent was granted to **Indian Institute of Technology Bombay**, with **Dr. Probir Kumar Sarkar,** Assistant Professor, Department of Physics, Ananda Mohan College, as one of the five inventors. The application was filed on 11 February 2016 with Application No. 201621004916.

A second patent, **Patent No. 476706**, titled **"Ultrasensitive fluorescence based efficient mercury sensor,"** was granted on 4 December 2023. The patent was also granted to **Indian Institute of Technology Bombay**, with **Dr. Probir Kumar Sarkar**, Assistant Professor, Department of Physics, Ananda Mohan College, as one of the inventors. The corresponding application was filed on 17 February 2016 with Application No. 201621005597.

CERTIFICATE OF REGISTRATION OF DESIGN

Design No. 360533-001
Date 12/03/2022 17:16:10
Reciprocity Date*
Country

Certified that the design of which a copy is annexed hereto has been registered as of the number and date given above in class 15-03 in respect of the application of such design to DRONE PEST CONTROL in the name of 1.SUMIT KUMAR BEHERA, PLOT NO:259, ACHYUTANANDA MARGA (INFRONT OF COLD STORE), PO: NISCHINTAKOILI, CUTTACK-754207, ODISHA ,INDIA, 2. SWAPNIL KUMAR, 3. TARA CHAND DUTTA STREET, BURRABAZAR, KOLKATA-700073, WEST BENGAL, INDIA 3. PRASENJIT KUNDU, ANAND MOHAN COLLEGE, 102, 1, RAJA RAM MOHAN SARANI, BAITHAKKHANA, KOLKATA, WEST BENGAL-700009, INDIA

in pursuance of and subject to the provisions of the Designs Act, 2000 and the Designs Rules, 2001.

Controller General of Patents, Designs and Trade Marks

*The reciprocity date (if any) which has been allowed and the name of the country.
Copyright in the design will subsist for ten years from the date of Registration, and may underthe terms of the Act and Rules, be extended for a further period of five years.
This Certificate is not for use in legal proceedings or for obtaining registration abroad.

SUMIT KUMAR BEHERA,
PLOT. NO:259, CSIPR BHAWAN, ACHYUTANANDA MARGA (INFRONT OF COLD STORE), PO: NISCHINTAKOILI, CUTTACK-754207, ODISHA

Date of Issue 30/05/2022 17:00:06

In addition to these patents, the **Design No. 360533-001**, dated **12 March 2022**, under **Class 15-03**, registered for a design of **"Drone for Pest Control."** The registered design lists Swapnil Kumar, a college student of Ananda Mohan College, along with **Dr. Prasenjit Kundu, a faculty member, Department of Computer Science, Ananda Mohan College**, among the persons named in the registration. The certificate was issued by the Patent Office, Government of India, under the Designs Act, 2000 and the Designs Rules, 2001.

Together, these documented outputs reflect the participation of members associated with Ananda Mohan College in **patent-based research and design innovation,** contributing to the institution's broader research and innovation profile.

Faculty Presentations & Academic Engagements

Special Lecture on the Role of Literature in Hindi Language Teaching

Dr. Rina Singh, Assistant Professor and Head, Department of Hindi delivered a special lecture on *"Bhasha Shikshan Mein Sahitya Ki Bhumika"* (Role of Literature in Language Teaching) on 25 September 2026 (Friday).

The lecture was part of the *"Hindi Bhasha Samvardhanatmak Workshop",* jointly organised by **the Central Hindi Institute, Agra** and **the Department of Hindi, Presidency University** held from 14 to 25 September 2026. In her lecture, **Dr. Rina Singh** discussed the role of literature in enriching language learning and teaching, with emphasis on vocabulary development, language skills, linguistic sensitivity, creativity, and critical thinking. The lecture added an important academic dimension to the workshop and offered participants insights into the pedagogical significance of literature in Hindi language teaching.

Dr. Priyatosh Dutta Serves as Resource Person at Faculty Development Programme

Dr. Priyatosh Dutta, Associate Professor, Department of Chemistry, Ananda Mohan College, served as one of the Resource Persons at a five-day Faculty Development Programme held from 21 to 25 July 2026 at **the Bhawanipur Education Society College (BESC)**.

The FDP, titled "*Strengthening Teaching-Learning and Evaluation Processes in UG Chemistry: Adapting to NEP*," was jointly organised by the Department of Chemistry, BESC; Undergraduate Board of Studies (UGBoS); and Physical Chemistry Teachers' Forum, in association with the IQAC, BESC. The programme brought together experienced teachers from different colleges and universities to share their knowledge and insights with faculty members of Physical Chemistry from colleges across West Bengal.

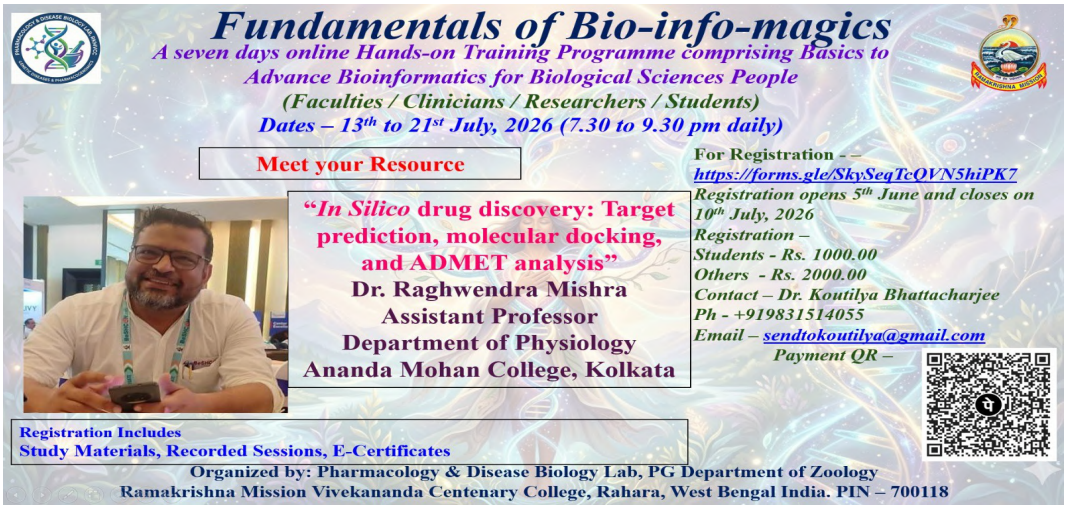

The programme provided an academic platform for interaction and knowledge sharing among teachers, facilitating the dissemination of subject knowledge and discussion of teaching-learning practices in undergraduate Chemistry.

.....

Dr Raghwendra Mishra Serves as Resource Person in Bioinformatics Training Programme

Dr. Raghwendra Mishra, Assistant Professor, Department of Physiology, served as a Resource Person in the seven-day online hands-on training programme entitled "**Fundamentals of Bio-info-magics 2026**", organised by the **Pharmacology & Disease Biology Lab**, Department of Zoology, Ramakrishna Mission Vivekananda Centenary College, Rahara, from 13 to 21 July 2026. He conducted a session on "*In Silico Drug Discovery: Target Prediction, Molecular Docking, and ADMET Analysis*."

.....

Nature Awareness Lecture for School Students

Dr. Sounak Dutta, Assistant Professor, Department of Chemistry, delivered a lecture on *"Nature Awareness and Birdlife"* at a seminar organised by Burul High School, Burul, South 24 Parganas, West Bengal, on 21 August 2026. Invited by the Teacher-in-Charge of the school, Dr. Dutta interacted with more than 150 students from different classes, introducing them to aspects of nature awareness and birdlife. The interactive session encouraged students to engage with the subject and provided them with an opportunity to learn beyond the classroom. During the programme, Dr. Dutta also spoke about Ananda Mohan College as a premier evening college in Kolkata, highlighting its distinctive schedule that enables students to pursue higher education alongside employment. Following the lecture, Mr. Tushar Kanti Mondal expressed his appreciation and honoured Dr. Dutta with a memento. The students also responded positively to the session.

Seminar & Workshop

A Report on Physiological Society of India Foundation Day Seminar Organized by the Department of Physiology, Ananda Mohan College

The Department of Physiology, Ananda Mohan College, organized the **Physiological Society of India (PSI) Foundation Day Seminar** on **9 July 2026** at the College Annex Building as part of the **PSI Initiative for Undergraduate Students.** The programme was inaugurated by **Dr. Debarshi Bhattacharya**, Principal of Ananda Mohan College. In his inaugural address, he emphasized the importance of scientific inquiry, critical thinking, and research-oriented learning in higher education. Welcome address delivered by **Dr. Jayeeta Banerjee**, Head of the Department of Physiology. She traced the history of the Physiological Society of India and highlighted its pioneering role in promoting physiological research, education, and scientific excellence in the country. The event was attended by more than 30 students and faculty members from the Departments of Physiology, Zoology, and other departments, reflecting the interdisciplinary interest in physiological sciences.

A total of eight abstracts were submitted by undergraduate students, and six presenters delivered oral seminars on their respective topics. The presentations were evaluated by an esteemed panel of judges comprising **Prof. Priyatosh Dutta** (Department of Chemistry), **Dr. Sanjay Dey** (Department of Zoology), and **Dr. Arindam Dalal** (Department of Physiology), Ananda Mohan College. Based on scientific content, clarity of presentation, and overall performance, **Utsab Mandal** (Department of Zoology) secured the **First Position** for his presentation on *"Biological Clock and Human Health."* **M K AASHIKA** (Department of Physiology) won the **Second Position** for *"Polycystic Ovary Syndrome (PCOS): An Overview,"* while **Dibyendu Halder** (MDC, Bio Science) was awarded the **Third Position** for his presentation on *"Type II Diabetes."* The seminar proved to be an enriching academic experience for both the presenters and the audience.

B.R. Ambedkar Memorial Lecture 2026

The **Department of History**, Ananda Mohan College, in collaboration with the Seminar Committee and IQAC, organised the *1st B.R. Ambedkar Memorial Lecture* on 15 September 2026 (Tuesday). The programme brought together faculty members, scholars, and students to engage with the intellectual and socio-political contributions of Dr. B.R. Ambedkar. The programme began with an opening song performed by Dr. Kakali Sinha and students, followed by the ceremonial lighting of the lamp by the dignitaries and the welcome address by the Principal. The keynote lecture was delivered by **Dr. Manosanta Biswas**, Professor, Department of History, Sidho-Kanho-Birsha University, on *"Architect of Freedom, Dignity, and Social Justice: Dr. B.R. Ambedkar's Vision for the Emancipation of Lower Castes, Labourers, and Women".*

The lecture was followed by an interactive question-and-answer session, during which students and faculty members raised questions concerning affirmative action, structural barriers, and contemporary social justice movements. The speaker responded to the queries and further enriched the academic discussion. The programme concluded with a vote of thanks proposed by **Dr. Milan Roy**, marking a meaningful academic engagement with Ambedkar's ideas on freedom, dignity, equality, and social justice.

Hindi Diwas Celebrated at Ananda Mohan College

The **Department of Hindi**, in collaboration with the **Seminar Committee and IQAC of Ananda Mohan College**, organised a **Hindi Diwas** programme on 17 September 2026 (Thursday). The event featured a poetry recitation competition and Hindi songs, providing students with an opportunity to showcase their literary and artistic talents.

The **Chief Guest, Dr. Reshmi Panda Mukherjee**, Associate Professor, Gokhale Memorial Girls' College, Kolkata, delivered an insightful lecture highlighting the richness of the Hindi language and its growing relevance in corporate, technical, and professional fields. The programme was conducted by Dr. Rina Singh, Head, Department of Hindi, with active participation from faculty members, the Seminar Committee, IQAC, and students. The celebration provided a meaningful platform for promoting Hindi language, literature, creativity, and awareness among students.

Obituary News
Remembering Mr. Ashim Kumar Banerjee

The Teaching and Non-Teaching Staff of Ananda Mohan College deeply mourn the passing of **Mr. Ashim Kumar Banerjee,** former Accountant of Ananda Mohan College, who passed away on 19 September 2026 (Saturday). He served the College from 13 August 1964 to 30 September 2002 and was remembered with respect and affection for his sincerity and dedicated service. His contribution and association with the institution will remain a part of the College community's memories.

A condolence meeting was held on 21 September 2026 (Monday) at 8:15 p.m. in Room No. 16 to pay tribute to his departed soul. The College community extends its heartfelt condolences to the bereaved family and shares their grief at this time of loss.

Echoes from the Library Stacks

Central Library Pays Tribute to Dr. Syama Prasad Mookerjee

The **Central Library** of Ananda Mohan College commemorated the **Birth Anniversary of Dr Syama Prasad Mookerjee** (6 July 1901 – 23 June 1953) on 1 July 2026 at 4:30 PM by organizing a special display on the library notice board. The exhibition featured a brief biographical sketch, photographs of **Dr. Mookerjee** and the covers page of selected books showcasing his life, vision, and contributions as an eminent educationist, statesman, and nationalist leader. Faculty members and non-teaching staff visited the display and paid their respectful tributes. The initiative encouraged the college community to revisit the life, ideals, and enduring legacy of one of India's distinguished public figures.

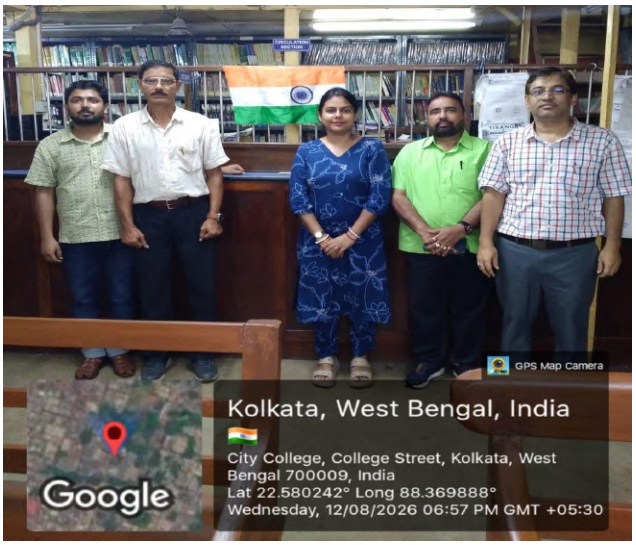

.....

Har Ghar Tiranga Programme Observed at the Central Library

The **Central Library** of Ananda Mohan College observed the **"Har Ghar Tiranga"** Programme from August 9 to 17, 2026 to promote respect for the National Flag and foster the spirit of patriotism, unity and national pride. During the campaign period, two National Flags were prominently displayed in the Central Library, creating an appropriate environment for students and members of the College community to engage with the campaign.

As part of the initiative, a **"Har Ghar Tiranga"** awareness campaign and **"Selfie with Tiranga"** activity was organised in the Central Library. Teaching staff, non-teaching staff and students participated enthusiastically, expressed their respect for the National Flag and joined in celebrating the values of freedom, unity, diversity and national pride. Through these activities, the Central Library contributed to creating awareness among the College community and reinforced its role as a space for knowledge, civic awareness and responsible citizenship.

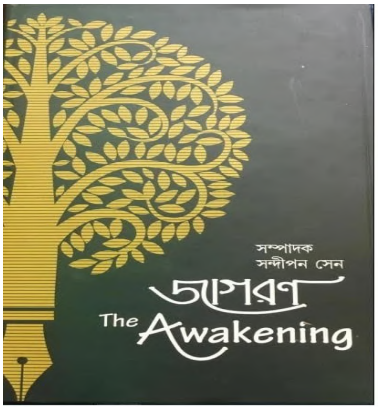

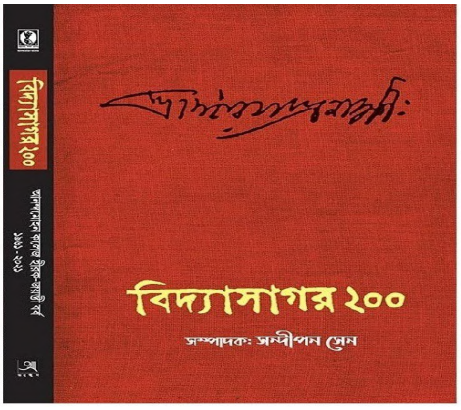

.....

Digitisation and Web Archiving of College Publications

The ***Central Library*** of Ananda Mohan College digitised the cover pages, contents pages, and back covers of two Bengali publications of the College—***Vidyasagar 200*** and **JAGARAN**, edited by Dr. Sandipan Sen. For promotion and wider dissemination, the Library also developed a dedicated webpage (**https://anandamohancollege.ac.in/college-publications/**) for college publications on the College website, creating a centralised digital archive of institutional publications.

Retirement Tribute

Ms. Selina Jahan, Associate Professor, Department of History, superannuated from her service on **30 June 2026** after **33 years of dedicated service**. Since joining Ananda Mohan College in **1993**, she has been a valued member of the institution, admired for her sincerity, quiet dedication, and unwavering commitment to her responsibilities. Her professionalism, kindness, and willingness to support others made her a cherished member of the college community.

On the occasion of her retirement, the Teachers' Council and History department organized a Farewell Ceremony on 9 July 2026 (Thursday). Faculty members fondly recalled their long association with **Ms. Jahan**, sharing memorable experiences and expressing their appreciation for her dedication, warmth, and invaluable contributions to the institution. The Ananda Mohan College family expresses its heartfelt gratitude for her invaluable contributions to the institution and extends its warmest wishes for a healthy, happy, and fulfilling retirement. Her gracious presence, exemplary service, and gentle spirit will be fondly remembered, and she will be greatly missed by the entire college community.

Mr. Shyamal Das, Head Clerk superannuated from his service on **31 August 2026** (Monday). On the occasion of his retirement, the non-Teaching Staff Council and Teachers' Council organized a Farewell Ceremony on 31 August, 2026 (Monday) in his honour. Faculty members and non-teaching staff fondly recalled their long association with **Mr. Shyamal Das**, sharing memorable experiences. The Ananda Mohan College family expresses its heartfelt gratitude for his contributions to the institution and extends its warmest wishes for a healthy, happy, and fulfilling retirement.

Student Achievements & Accolades

Ria Mukhopadhay, B.Sc. Zoology Hons student presented a poster titled *"Ecological Restoration of Wetlands and Ecotourism"* at the seminar *"Current Trends in Biological Sciences – III,"* organized by the Department of Biosciences, JIS University, in collaboration with the Microbiologist Society, India, on 7 April 2026 (Tuesday).

Sweety K. Mondal, B.Sc. Zoology Hons student presented a poster titled *"Succession in Wetlands and its Challenges"* at the seminar *"Current Trends in Biological Sciences – III,"* organized by the Department of Biosciences, JIS University, in collaboration with the Microbiologist Society, India, on 7 April 2026 (Tuesday).

Students' Participation in Youth Parliament Competition 2026–27

Ananda Mohan College takes immense pride in the participation and achievement of its students at the **Youth Parliament Competition (YPC) 2026–27**, Kolkata District, held at Bethune College on 23 September 2026. The event provided a significant platform for students from several colleges across Kolkata to showcase their knowledge, communication skills, creativity and confidence. Four students of the college participated in different events. Selim Reja (Semester I) participated in the Extempore Competition, while Rajesh Jha (Semester I) and Sagar Sarkar (Semester II) took part in the Quiz Competition. **Mahfujur Rahman Molla** (Semester II) represented the college in the Essay Writing Competition. Competing at the district level alongside students from numerous institutions, they demonstrated commendable enthusiasm, preparation and confidence. A special

moment of achievement came with **Mahfujur Rahman Molla** securing the Second Position in the Essay Writing Competition. His accomplishment is particularly noteworthy as the event witnessed participation from 55 colleges. The college extends its heartfelt gratitude to **Ms. Sabnur** and **Dr. Soumi Naha Nag** for their valuable guidance and for accompanying and supporting the students throughout the competition.

.....

AMC Student Participates in A.P.C Ray Memorial Chemistry Olympiad

Divyam Parashar, a Semester-I student of Ananda Mohan College with a Major in Chemistry, participated in the **Acharya Prafulla Chandra Ray Memorial Chemistry Olympiad 3.0**, organised by the Indian Chemical Council (ICC) and Sister Nivedita University. The Olympiad was held at Sister Nivedita University on 3 and 4 August 2026.

The competition presented participants with real-life problems and evaluated their problem-solving approaches. Such academic competitions provide students with opportunities to apply their subject knowledge, develop curiosity and problem-solving skills, and interact with peers sharing similar academic interests.

.....

Ananda Mohan College Teams Perform Strongly in Inter-College Sports

Ananda Mohan College participated in the **Inter-College Badminton Tournament (Men), 2025–26**, organised by the **University of Calcutta** at Dreamz Badminton Academy, Baruipur, on 15 September 2026. The College team displayed commendable sportsmanship and performance throughout the tournament, winning the initial rounds and advancing to the quarter-final stage.

The College's Kabaddi Team also participated in the **Inter-College Kabaddi Tournament** and **Inter-College Table Tennis Tournament** organised by the **University of Calcutta** and delivered a commendable

performance by entering into the semi-final stage in both the events. An additional achievement was the selection of Mr. **Akash Kr. Singh**, 4-Year B.Com. Semester V, as a member of the University of Calcutta Kabaddi Team, following which he was asked to join the University's Kabaddi Camp.

The College acknowledges the efforts of the participating students and the guidance of **Dr. Sukanta Biswas**, Convener, Sports and Games Committee.
