Recruitment Notice

Position: Field Investigator

Duration: 3 months

Number of Post: 2

Qualification: Post graduate in social science discipline and allied subjects with a minimum of 55% marks

We are seeking a dedicated and motivated Field Investigator to join our team for a temporary assignment not exceeding 3 months. As a Field Investigator, you will play a crucial role in gathering valuable data and conducting field research to support our ongoing projects.

Key Responsibilities:

- Conduct field research and data collection activities as per project requirements.
- Interact with community members and stakeholders to gather information.
- Maintain accurate records of collected data and ensure data quality.
- Follow research protocols and guidelines.
- Assist in data analysis and reporting as needed.
- Work closely with the project team to achieve project objectives.

Salary and Benefits: As per ICSSR Rules Monthly salary of Rs. 30,000 (Consolidated).

This is a temporary position with a duration not exceeding 3 months, offering an excellent opportunity to contribute to meaningful research while enhancing your skills and knowledge in the field of social sciences.

Interested candidates are invited to submit their applications along with their resume and academic transcripts to subhalakshmi.economics@anandamohancollege.ac.in by 15/09/2023. Please include "Field Investigator Application" in the subject line of your email. You can also attain walk-in-interview which will be conducted at 16/09/2023 at Ananda Mohan College Campus (Room Number 17) at 5 p.m.

We thank all applicants for their interest in this position; however, only those selected for an interview will be contacted.
