

Ref.: AMC/Internship/Valedictory/Notice/2026/07-1

Date: 07.07.2026

Notice

This is to notify all concerned that the **Valedictory Session of the AMC Internship Program, "Computer and Web Application in Science: Data Analytics, Bioinformatics and Spectroscopy for Biological Sciences,"** is scheduled to be held on July 10, 2026, the Friday, from 5:30 PM to 7:30 PM, in Room No. 6 (Ground Floor).

The program will feature two invited lectures by distinguished speakers:

Dr. Priyatosh Dutta – "Learning Can Be Fun"

Dr. Saptarshi Chatterjee – "From Ideas to Impact: The Journey of an Entrepreneur"

The lecture session will be followed by the certificate distribution ceremony and high tea.

All interested students, faculty members, and other staff of the college are cordially invited to attend and participate in said valedictory session.

Dr. Debarshi Bhattacharya
